\$795,000

Expansive living and dining rooms feature double sash windows allowing for an abundance of natural light. Level (2) includes a home office, laundry room, main bath, and 3 Brs, highlighted by a primary suite with walk-in closet and spa bathroom featuring a soaking tub, double vanity, with soft-close wood drawers, and an illuminated LED mirror. The frameless glass shower is accented with gold fixtures, a built-in wall niche, and marble-style tile throughout. Level (3) offers two additional bedrooms and a flexible playroom or storage area, completing six bedrooms in total. Other features include dual-zone C.A, linear fireplace, LED bidet toilets with heated seats, and a wraparound porch. Prime location just 30 minutes from NYC with easy highway and bus access.
