This two-story townhouse-style condo boasts contemporary finishes and a well-designed layout. A roomy entry leads to an open living room with a cozy fireplace, a dining room, and an extra-large kitchen with a breakfast bar. Upstairs, discover two spacious bedrooms, including a generously-sized master suite with a private bath. This distinctive unit backs up to a greenbelt, offering a serene outdoor retreat, and a private garage. Ideally situated across from Microsoft, just blocks from the light rail, only one block from Overlake Transit Center and Hwy 520, and minutes to Marymoor Park.
