Don't miss this great opportunity in Billerica! This 10,000sf lot is located in an established neighborhood and offers excellent potential for both buyers and builders. Create a home designed to fit your lifestyle or consider a thoughtful investment project in a setting known for its convenience and appeal. The location is close to schools, parks, shopping, and dining, all within a well-settled community that continues to grow in value. Parcels allowing for new construction in established neighborhoods are limited, giving buyers and builders a chance to design with confidence..
