Discover style, space, and comfort in this beautifully finished 4-bed, 3-bath home built in 2018 by DR Horton, located in sought-after Paradise View Subdivision. Bright, light-filled living areas flow into a chef's kitchen with granite countertops, upgraded stainless steel appliances, large pantry, and service bar/island--ideal for entertaining or everyday living. Upstairs, the primary suite features a spa-inspired bath, huge walk-in closet, and private balcony, while a spacious loft offers flexible living space. Move-in ready and beautifully maintained--this home is a must-see. Save utility costs with this Green Build New Mexico home. This includes tankless hot water on demand.

Sewer: Public,
Garage Description: Garage,
Heating Type: Forced Air,
Water: City Water

\$439,900

Low-E dual pane glass and blown in insulation included for your comfort. Don't miss this better than new home
