Whether you are looking for a place to call home, or a turn-key investment property - this Two-Family opportunity in Milton should be on your radar! Newly refinished first floor apartment with fresh paint, hardwood floors and a NEW kitchen. The upper duplex features four bedrooms over two levels and provides loads of extra space or additional rental income. The ground floor unit has two nicely sized bedrooms plus a bonus "sun" room off of the living room that would make an ideal home office. Convenient in-unit laundry pantry in each apartment. Plenty of off-street parking, updated systems and newer back decks are all added benefits to this lovely home.
