Location, location, location - right in the heart of The Woodlands! Tucked away on a quiet cul-de-sac beneath mature trees, this home blends a practical floor plan with standout spaces made for entertaining. The formal dining room, granite and onyx bar, and huge kitchen with an oversized island create the perfect setup for gatherings big or small. Floor-to-ceiling windows overlook the backyard oasis, where a sparkling pool, spa, and outdoor kitchen are ready for summer fun. Inside, the onyx fireplace makes a bold statement, while a designer crystal chandelier adds just the right touch of elegance.
