606 5TH STREET

606 5TH ST, CARLSTADT, NJ 07072

This fully renovated 4-bedroom, 3.5-bath home offers breathtaking 180 degree unobstructed Manhattan skyline views from both floors and the meticulously designed backyard. Completed in 2024, the renovation maximized indoor-outdoor living with a stunning three-tiered patio"ideal for entertaining, dining, or simply relaxing while soaking in the city skyline. Over 40 new black-trimmed windows fill the home with natural light and frame panoramic views, enhanced by top-down shades for both privacy and style.

Cooling: Central A/C,
Special Program: Global Luxury

\$1,099,000

The chef's kitchen features custom cabinetry, waterfall quartz island, marble backsplash, and Thermador paneled appliances including 36' range, dual sinks (one with skyline views), 18' wine fridge, and pot filler. Luxurious bathrooms showcase Kohler fixtures, a soaking tub, rainfall shower, and sleek porcelain tile. The finished lower level includes a rec room, guest bedroom, half bath, and coffee bar. Other highlights: new roof, James Hardie siding accents, new retaining walls, coffered ceiling in dining room, built-in electric fireplace, soundproofed bedrooms, new 2-zone HVAC, updated electrical and plumbing, and enhanced exterior lighting and landscaping. This rare rental combines luxury finishes with postcard-worthy NYC views your private suburban retreat.
