There is a charming double sided fireplace that emanates the original builders design for this historic side of the neighborhood. A large study is adjacent to the living room that offers a private and NEW full bathroom, making a 5th bedroom entirely possible. Across the house there are 3 generously sized bedrooms with plenty of natural light and a full hallway bathroom. The master bedroom is spacious and offers a newly renovated full bathroom with elegant tile work, making this the second ensuite of the home if one so chooses. Storage is not a problem with a two car garage with access off of the newly expanded laundry room. The waste line has also been replaced as this home will stand the test of time. This home features original charm, privacy, and functionality with a masterful renovation that is surely timeless. Schedule your tour soon as it may not last though Memorial Day weekend!
