Three families. One address. Complete privacy for everyone! For the growing family - a full in-law suite plus an apartment above the garage. For the car enthusiast- a 4-car garage. For the entertainer - resort backyard with an outdoor kitchen and a cabana. Rarely does one home check every box, but this exceptional Crooked Creek property delivers. Set on a beautifully landscaped .59-acre cul-de-sac lot with three distinct living spaces, making multi-generational living effortless - a master suite with a fireplace, a private 2-bedroom in-law suite with a separate entry, and a fully appointed 2-bedroom apartment above the garage.

The kitchen impresses with a center island, stainless appliances, and extensive custom moldings. Outside, an elegant Koi Pond, cabana fireplace, and resort-style landscaping complete the picture. Many updates already done - roof and furnace (2019), A/C (2022), dishwasher (2024), fresh paint and carpet (2026). How many homes in the entire county offer a 4-car garage, in-law suite, AND a separate apartment? This is the one!
