Rare National City Single Family Home in Private Gated Community. This 4bd 2 1/2 home 1748sq ft is stunning and just waiting for your buyer! The home has a great floor plan. The kitchen has stainless steel appliances, a granite countertop, and recently refinished cabinets. The dinette/family room area has sliding doors leading to a great backyard. The yard has turf and has oodles of potential. Yard very nicely manicured. The downstairs is light, bright, and cheery. Upstairs there are 4 beds and 2bathrooms. The primary room is a great size with a walk-in closet. Separate tub and shower in Primary Ba. This home has been recently updated and really shows well. Good size 2 car garage.

Cooling: No A/C,
Heating - Fuel Type: Other

\$779,900
