205 POLO DRIVE

205 POLO DR, NORTH WALES, PA 19454

This home has been prepared for you. It has been freshly painted throughout in a warm French Vanilla color which compliments the beautiful hardwood floors. You will enjoy the cozy fireplace this Fall, or the great looking deck in the warm weather. A smart thermostat can be controlled remotely for your convenience. Upstairs there are 3 spacious bedroom with large closets and ceiling fans. The large Main Bedroom has 2 walk-in closets and french doors to the bath boasting a skylight, jetted tub and a stall shower. A nice amenity is having the washer and dryer on the upper level steps from the bedrooms. There is a large unfinished basement for your storage or make as you wish.

Appliances: Refrigerator,
Flooring: Hardwood,
Appliances: Microwave,
Appliances: Dishwasher,
Interior: Walk-in Closet,
Appliances: Range / Oven

\$488,000

An especially nice feature is as you lounge on the deck there are just trees to gaze upon. The community streets are lined with large mature trees and feels welcoming as only an established neighborhood can, Careful of the children at play signs - they mean it! A great place to grow.
