The custom gourmet kitchen offers 42" wood cabinetry with crown molding, granite countertops, tumbled marble backsplash, stainless steel appliances, built-in buffet area with upper glass display cabinetry, a raised breakfast bar, and a spacious dining area overlooking the beautiful backyard. First floor office/den provides ideal flexibility for working from home or guest space. The spacious primary suite features a walk-in closet plus two additional closets and a beautifully updated bath with custom tile work, frameless glass shower, and built-in shelving. Generously sized secondary bedrooms and an updated main bath with stone-top vanity and frameless shower/tub enclosure complete the upper level. Finished basement offers tremendous additional living space perfect for a home theater, gym, recreation room, or play area. Step outside to an oversized deck with natural gas line for barbecue overlooking the private park-like backyard. Additional features include baseboard hot water heat, underground sprinklers, and a natural gas generator servicing most of the home. Conveniently located close to shopping, restaurants, major transportation, and NYC commuting routes. This exceptional home is a must see!
