Welcome to this wonderful 55+ home located in Panorama Village. This super cute 2 bedroom 1 bathroom is designed to provide comfortable, accessible living for 55+ adults while maintaining a warm, home atmosphere. From the cozy living room with big windows for natural light, open floor plan simple layout and easy navigation between spaces. This home has had some great updates from adding a large pantry, windows, to HVAC, flooring and hot water heater. Having an enclosed patio off the kitchen lets you bring the indoor living outdoors for those meals on the patio.

\$264,900

Having a large backyard with lots of trees and lush landscape gives you room to enjoy gardening, outdoor relaxation, family gatherings or large area for the four legged family members. The spacious yard can also include shaded seating areas, flowers, fruit trees, or raised garden beds for easy gardening access. Overall, this home offers a peaceful, manageable environment that balances independent, comfort, and outdoor enjoyment for 55+
