07016

Stunning newer construction (2023) offering modern design, quality craftsmanship, and exceptional functionality, set on a quiet residential street in Cranford. This beautifully built 5-bedroom, 4.5-bath home features a light-filled, open layout designed for today's lifestyle. A dramatic foyer creates an impressive entry and sets the tone for the home's airy design. The first floor offers a spacious living room, formal dining room, and an impressive designer kitchen with high-end cabinetry, quartz countertops, center island, and stainless steel appliances. The kitchen opens to a large family room ideal for everyday living and entertaining.

\$999,000

A convenient powder room and garage access complete the main level. The second floor features 4 generously sized bedrooms, including a luxurious primary suite, along with well-appointed baths. The third floor offers a fifth bedroom or dedicated home office, fully outfitted with custom shelving and built-in office furniture all included creating a private work-from-home space. A spacious media room and full bath complete the third floor. Built with today's buyer in mind, the home includes central air, energy-efficient systems, and quality finishes throughout, delivering true move-in ease. The exterior offers a private fenced yard, perfect for relaxing or entertaining, along with off-street parking on the belgian block driveway. Ideally located near parks, schools, and highways. A rare opportunity for modern living.
