The thoughtfully curated design feels straight out of a Serena & Lily magazine, featuring designer lighting, stylish finishes, and a light, airy coastal aesthetic throughout. Additional highlights include a stone driveway/landing providing extra parking or flexible storage space. The unfinished basement offers exceptional storage for bikes, paddleboards, boating gear, lawn and garden equipment, or the potential to create a workshop, hobby room, or creative space tailored to your needs. Just moments from the heart of Eastport, this home delivers the perfect blend of coastal charm, comfort, and lifestyle in one of Annapolis' most sought-after waterfront communities.
