REVERE, MA 02151

Enter the front door into a sitting room flooded with natural light. Next a living room welcomes you with plenty of space for entertaining. A bedroom abuts this space. Next a sparkling and very new full bath is perfect for a stay at home spa day. Continue toward the back of the home and you'll find an eat-in kitchen with real wood cabinets. Two more bedrooms, one with an en-suite half bath complete this floor. Downstairs, a utility room with laundry and storage offers potential for future finishing touches. Outside, you'll find a fenced in private yard with deck, a three car driveway, as well as a newer roof. Welcome home!
