Contemporary eclectic corner 2-3 bedroom townhouse in Midtown with natural light and artistic character. Large picturesque windows flood the living space, highlighting hardwood floors and a flexible layout with a bonus office/flex space, perfect for work or creative use. A striking library wall with a rolling ladder creates a unique focal point. The gated courtyard offers rare private outdoor space this close to Downtown. Tucked on a tree-lined street with quick access to everything. Ideal for owner-occupants or investors seeking strong short-term rental potential.
